What do I bring to my party?

The party guardian is responsible for:

- Arrangements for all food and non-alcoholic beverages.
- Bringing party decorations and wall safe tape. Balloons, noisemakers, and piñatas are **not** allowed in the zoo.
- Setting up and cleaning up for the party. You may arrive 1/2 hour prior to the party for setting up.

Can I bring decorations?

Yes. However, please remember balloons, noisemakers, and piñatas are **not** allowed in the zoo. You may bring other types of decorations to set up inside the party room.

What kind of food can we bring to the party?

The food you bring in must be "ready to serve." We cannot heat up or keep anything cold for you. You must bring your own paper products for any food you bring to the party.

Do I have to use the invitations provided by the Zoo?

Yes. However, you do not need to use our invitations to initially invite your guests. Our invitations are for admittance to the zoo so that your guests don't have to pay admission.

May I add train and carousel after I book the party?

Yes. You may add train or carousel tickets two weeks prior to the party. After that time, you may purchase tickets at the ticket booth on the day of your party.

Why is the age requirement 5 or older for a party?

Due to the educational nature of our parties, it is deemed not appropriate for younger children. However, if you wish to do a party for under the age of 5 in the Van Saun County Park, you can obtain a permit by visiting www.co.bergen.nj.us/permits.

How many guests can be in the party area?

All children and guests are allowed in the party area. MAXIMUM of 20 children and 22 adults, including the birthday child and siblings.

How long can we stay?

Since the invitations provided act as a zoo admission ticket, guests are free to explore the zoo during normal operating hours either before or after the party.

Is the zoo an allergen free facility?

No. Nuts, fruits, vegetables, and eggs are an important part of the diet of many of our zoo animals.

What is the "Bear Factory" Add-on?

The Bear Factory is an interactive concept of building your own plush animal. Guests choose between 5 - 6 plush animals within a chosen package theme. During the party, a Bear Factory staff member will help bring the plushies to life, and your guests can take their newly-stuffed animals home with them!

Check out our website for more details and photos of the plush choices:
