# SPONSOR AN ANIMAL

# IT'S A WILD IDEA!

The Bergen County Zoo strives to provide the highest level of care to the animals in our collection. Through the use of natural exhibits, species appropriate enrichment, and professional caring staff, we hope to showcase animals that are fascinating, exciting, and help to instill a love for wildlife to our visitors.

You can help meet the expenses of maintaining an ever-growing collection by sponsoring one of our animals for a year. You determine the size of your contribution by the package you choose.

Your sponsorship helps pay for veterinarian care, exhibit improvements, enrichment supplies, quality food, and most importantly, to support conservation programs here at the Zoo and in the wild.

*Choose your favorite animal, fill out the form, and return it with a check made out to:*
